

Free virtual workshops! Join us by phone, tablet or computer.

Our free Aging in Place: Know Your Housing Options course is designed to assess our homes for safety, accessibility and affordability; explore the ways to use home equity to stay in our homes and discover housing options.

THIS THREE-PART SERIES WILL COVER:

Assessing your home: is it safe, accessible and affordable?

Using your home to keep your home: single-purpose, equity loans and reverse mortgages.

Understanding the various types of senior housing options
